A LITTLE BIT ABOUT ONE COMMUNITY NOW VETERAN SUPPORT SERVICES

OPERATION STAND DOWN is a weekend event offered once a year to bring homeless and at-risk veterans together in one location where they can be connected to community resources that will help them with housing, education, employment, medical, dental and mental health needs, as well as legal needs. The goal is to help build stability in their life. The next Stand Down will be held April 23-24, 2027.

Our support continues on after the Stand Down weekend is over through our Veterans Support Center located at 4620 Professional Loop in New Port Richey, where we provide a safe place for veterans to come together while providing resources and services that include free showers, laundry facilities, a monthly support group, food, clothing, benefits assistance and more.

We are currently focused on expanding our Veterans Support Center to meet the growing needs of veterans throughout Pasco County. The expansion will allow us to serve more veterans, increase access to critical resources and programs, and provide a welcoming space where veterans can connect, receive support, and move forward.
